

**The 15th Annual
Burrard Yacht Club
Classic Boat and Car Show
Sanctioned by the
Classic Yacht Association
Saturday, June 12, 2021**

With regret we have decided at this time to cancel the Classic Boat and Car Show for June 12, 2021. With 14 years and growing support from the community, and the support for Disabled Sailing, this event will be sadly missed. We felt showing support for the health concerns for the community was imperative and therefore had to make this hard decision.

We are looking at ways to support the charity and the community. We are definitely planning for a great show in 2022, as this will be Burrard Yacht Club's 90th year celebration

The committee would like to thank all the sponsors, as you make the show a success. And if you would like to support Disabled Sailing, I'm sure at this time they would appreciate any donation.

Thank you again for your support,

James Nelson

On behalf of the 2021 Classic Car & Boat Show Committee
